

## Ringwood Day Nursery March 2016 Monthly Roundup

### Easter fun day!

I would like to thank everyone that attended our annual Easter event on Saturday 19th March. We welcomed and offered activities, refreshments and more for nearly two hundred people.

As always the Easter fun day was a huge hit with all of our families and we look forward to doing the same again next year

## Room Updates.....

### Cherry Room

This month Cherry room have enjoyed exploring some easter crafts. The children have made chocolate easter nests, explored potato printing with easter themed cut outs, created easter cards and made a lovely spring themed display.

The babies have explored lots of sensory play this month including a new idea of stuffing play. The babies loved playing with this different sticky texture. Stirring, filling and emptying the bowls pots and cups. The babies also enjoyed tea and gloop play. The babies have also been mark making by dipping various objects in paint, these included popsicles, balls, pom poms and using our bodies.

Cherry room would like to take the opportunity to welcome Heath, Olivia, Holly and Harrison to the nursery. We hope they are settling in well and enjoying nursery life.

Next Month..... Cherry room will be exploring our outside environments between the April showers!

## Pear Room news

Pear room have been exploring the concept of Spring. The children have spent a lot of time outside this month, enjoying the lovely sunshine. But also busy helping some of Oak room children and Ben the gardener to plant the potatoes. The children have enjoyed playing in the outside sand pit and transporting mud around the garden, just like our gardener Ben. They even helped to tidy the sand away after using it using the brooms dustpans and brushes. The children have also been creating some water pictures.

Pear room would like to take the opportunity to welcome Zachary to the nursery and hope he is settling in well and enjoying nursery life.

Next month..... After showing a huge interest in the garden with Ben Pear room children will be focusing on growing and changing.

## Oak Room news

This month the children in Oak room have been very busy! The children have enjoyed still life painting and created some lovely pictures of beautiful spring daffodils...

Oak room also explored paint through cling film. The adults poured lots of paint onto the table and then covered the paint in clingfilm for the children to explore. They squished it all around the table and mixed it to create even more colours.

The children have been practising their fine motor skills, using screws and screwdrivers to make frames using the small wood parts.

Next month..... Oak Room children will be learning all about the Teacher Creatures animals.
