

January 2013

Ringwood Day Nursery

2013 - New Year News

A very happy 2013 to you all

Firstly, a very big Thank You for the lovely and delicious gifts you gave to us at Christmas.

New Baby Courtyard

The babies lovely outdoor area was completed in the autumn and I'm sure you'll agree it looks fantastic! You will see the babies enjoying outside play now in all weathers.

Coming up in 2013

Saturday 9th February

Grand Treasure toddle to raise funds for our Guide Dog puppy Rufus: a sponsored fun treasure trail starting and finishing at the nursery with warming refreshments (Soup, hot chocolate etc.) in the nursery to finish the walk.

Craig Sports, Fridays, once a month during the spring and summer

Craig from our Verwood nursery will be leading sporting activities for our three and four year olds. Craig has Early Years Professional Status and specialises in Physical Development, He will be leading the children in fun activities to encourage their physical development.

Little Explorers, running regularly throughout the spring term, a series of sensory sessions for our youngest children. The sessions will introduce sensory experiences to the children using lights, music, materials, instruments and many other resources including lots of messy stuff! The classes are free and available to existing parents and anyone from outside of the setting. If you know of anyone who may be interested, please pass the information on. Look out for the dates and contact details to book your place.

Revised Early Years Foundation Stage—Information Evening.

You may remember in our last newsletter we told you about changes in the Early Years Foundation stage. We will be holding an information evening on Wednesday 30th January at 7.00p.m. to give you more details on how the EYFS works and what it means for your child. Please look out for your invitation to this event. If you have any specific questions you would like included please let Melanie or Sue know.

Redecorating

Over the Christmas closure we have been redecorating in the nursery, we are now all spick and span for the New Year with gleaming skirting boards and fresh emulsion on the walls.

Safeguarding: Recent training has highlighted an area of risk in medicines in children's or adults bags and pockets. Please do ensure there is no chance medication can find its way into a child's possession by handing any required medication to a staff member and ensuring your own bags are kept out of children's reach and medication is not loose in pockets where it could fall out.

New initiative — Email Invoices

From mid December 2012 we have changed to email invoicing, this removes the need for you to deal with paper invoices and will mean the invoices will be sent straight to your nominated email address without delays. You should have received your January invoice in mid December. If you haven't yet received it please do let us know.
