## Autumn 2013

---

Welcome to the Autumn newsletter. Christmas is not far away!

### **Apple Press Day**

We all had a great time at our recent Apple Press Day and even the weather stayed kind for us; parents and children joining in and talking amongst one another. Hopefully you enjoyed the fantastic apple juice, great activities and barbeque.

*There are many photos on our Facebook page*

Children had great fun filling their plant pots and pushing down the bulbs. We raised £64 for Marie Curie from 'plant a bulb', so thank you for all your contributions.

### **Christmas 2013**

This year the nursery will be offering parents the opportunity to come in and participate in activity afternoons with their children. These sessions will allow parents opportunities to make Christmas craft with your children, singing Christmas carols and a mince pie or two in the

children's rooms. The activities will take place during the weeks of the 9<sup>th</sup> and 16<sup>th</sup> December.

*Personal invitations to follow in the coming weeks from the staff in the individual rooms.*

### **Future Events for 2014**

Please take a look at our future events page within the parents section of our website to see all the events planned for 2014. These include First Aid evening course for parents on Tuesday 11<sup>th</sup> February (please speak to a member of staff if you are interested in attending). In addition we are holding a takeaway pancake Day for breakfast, Easter Egg Hunt and we have a new photographer (Concept Photography) who will be coming to us on Tuesday 18<sup>th</sup> March and Thursday 23<sup>rd</sup> October.

### **Improved Outside Lighting**

Being outside is really important to us and even though the evenings are now getting darker, we don't want this to stop us. Over the coming months we will be having new additional lighting to our front playground and rear garden which will enable us to enjoy the outside even more.

### **Methods Of Payment**
