Leavers party with Raptor and Reptile Centre

We have very sadly said goodbye to many old friends as their children are now leaving us to go to "big school". To celebrate the new adventure and reminisce over the last few years we held a party one Sunday in August. The weather was kind and we all thoroughly enjoyed afternoon tea whilst meeting some reptiles from Liberty's Reptile and Raptor centre in Ringwood, a favorite being custard the Burmese Python! (See our website for more photos). We ended the afternoon by presenting the children with their graduation certificates, which I am sure, will be placed proudly at home.

Up coming events -

The Big Apple Press Day on **Saturday 15th October**

We had great fun last year producing our own fresh apple juice with the children and this year we invite you all to enjoy it with us. Please come and help us produce some delicious apple juice on Saturday 15th October 12 to 2pm. There will be a bar-b-que, Horse and cart rides around Ringwood, face painting, a lucky dip and other activities.

We will be using our own apples but there probably won't be quite enough so any apple donations will be gratefully received, please make sure the apples are not too bruised, windfalls are perfect. To ensure we cater for adequate numbers can you please obtain a ticket from the staff in your child's room.

Tesco and Sainsburys vouchers

We had a fantastic response and have collected enough vouchers for some great outdoor equipment we have already received some new "tuff spots" with stands and also are expecting a two seater trike which will be great fun.

Thank you for all your support

Ringwood Day Nursery

CHANGE TO POLICY AND TERMS AND CONDITIONS

We are giving notice of amendments to our terms and conditions and our nursery policy on exclusions due to illness.

- *The exclusion time for vomiting and diarrhea has been changed to 'no return to nursery until symptom free for 48 hours'.*

Furthermore, should the nursery request you collect your child early, the full fees will be charged e.g. if your child is unwell or the nursery is closed early due to adverse weather conditions etc.
