

## Ringwood Day Nursery

### September 2015 Monthly Roundup

#### Cherry Room

This month we would like to welcome Elie, Oliver, Isla, Neve, Reuben, Archie and Maisie. As always a huge welcome to them all and their families and we hope you all settle well into nursery life.

As Cherry room have had lots of new children beginning, it has been lovely to see how well the children have settled, in such a short period of time.

Here is a picture of our lovely Charlie, just look at the fun we have in Cherry room!

Our little babies don't seem to be very little any more! Their physical development is progressing every day. They are moving around very quickly now, one particular baby has mastered the art of rolling over, some bigger babies are now standing alone, some are pulling themselves up on furniture and others are crawling and very close to progressing in the big motor skills.

For some more information on children's development a good website to use is: <http://www.foundationyears.org.uk/what-to-expect-when/>

## Pear Room

This month we would like to welcome Lexi and Charlie. As always a huge welcome to them and their families and we hope you both settle well into nursery life.

Pear room have been making the most of the last of the sunshine. We have been counting in the garden and talking about big and little objects.

We have also played with some gloop outside in the garden. Playing with different textures, such as corn flour, is very intriguing as it is a very funny substance when mixed with water.

Our room have been doing some digging in the sand pit. Emptying and filling containers is very good for children's hand to eye co-ordination.

The children have been doing lots of role play with the trains. Firstly they have mastered the skills of building the train track and then are able to use the trains on the track and some are even able to make up a story using their own imagination of where the train is going on an adventure.

Don't forget to like us on facebook!

## Oak Room news

This month we would like to welcome Tanishka. As always a huge welcome to her and her family and we hope she settles well into nursery life.

Oak room have been developing their fine motor skills with some cutting of different materials and having very good scissor control. They have also been exploring colours and painting using brushes. All of these activities support children's fine motor skills in order to be able to write their own names.

This month we got very creative with our magents. We spent hours creating catapults or pingas as we liked to call them!

These activities are great to promote our children's imagination, concentration and understanding of new and different objects.

## Home Links:

Angel is our Guide dog puppy and she lives in Oak room. Each week she goes home with a child and she loves these special times.

This is a lovely activity for the children to take on and care for our little Angel.

They also then share their experiences with us at the nursery.

Angel had a fantastic time out of the nursery for the week, exploring some new environments.

This month we have had lots of children move up into Oak room from Pear room and this is how exciting it is! The children just love a good selfie!

## Referral reward

Please remember that when you recommend us to friends or colleagues, get them to mention your name at the time of booking and 3 months after they join us you will receive a £100 reward as a "thank you" from us.

## Coming up in October

- Running in October we are hosting some free taster sessions for children aged 3 years to school age. The activities will be running on Thursday afternoons between 14:00-15:00 beginning on Thursday 15<sup>th</sup> October. All our current children are welcome to join us for some fantastic activities from creative activities to physical play lead activities, spread the word and bring a friend. From past experiences these free taster sessions are very popular so we recommend you to ring Sue on 01425 470709 to book your place!
- Dates for your diaries - Autumn half term begins on Monday 26<sup>th</sup> October and the Winter term begins on Monday 2<sup>nd</sup> November.

- 
- October will see our week of Halloween activities beginning on Monday 26<sup>th</sup> October. Last year was such a success for our Pumpkin carving competition that we will be holding this again. The competition will be judged by Neil on Thursday 29<sup>th</sup> October and there will be some fantastic prizes available. So get carving and have your entries in between Monday 26<sup>th</sup> October to Thursday 29<sup>th</sup> October.
  - Our apple trees are full of lovely fruit so during the month we will be having some apple fun.
  - Autumn has already arrived and during October we will be exploring some lovely autumnal activities.
