

Ringwood Day Nursery March Round up

Mad March certainly describes how busy we have all been this month.

Red Nose brought ...all things red, especially noses, thank you to everyone who took part and who contributed to the fundraising.

World book day was a great success with lots of people and staff dressing up as their favourite book character,. Many stories were read and we had lots of in depth discussions about favourite characters.

The children had great fun and showed their creativeness making gifts for their mums for mothers day.

Easter is almost here and the whole nursery has been glueing, sticking and being generally creative. On the Easter theme we enjoyed a brilliant Grand Easter Fun session on Saturday 28th March with over 75 children and guests attending, the whole nursery was buzzing with spring energy, unlike the weather outside!

Cherry Room

World book day in Cherry room, a fantastic opportunity to dress up, pretend and read our favourite stories.

Body painting extreme

The children loved this activity, the new sensations and bright colours stimulated the children to have a go, building their confidence to try new things

Next month in Cherry room we will be exploring our outdoor spaces, playing with sand and practicing our ball skills such as throwing and kicking (for the more advanced!!)

Pear room

Our new staff team, Heidi, Olaf, the Hungry Caterpillar, Mary Poppins and an Ice queen, all of whom were helped by lots of other book characters on World Book Day, We have been using one of the children's favourite stories, the Gruffalo, to base our activities on this month and have been making "owl ice cream", "gruffalo crumble" and making up our own gruffalo song too. Lots of lovely, opportunities to introduce and use rich new language this month!

Red Nose Day

The children in pear room made their own funny face with a Red nose. Everyone made an effort to wear red and we used coins to create a funny face.

Next month we will be looking at Spring and growing things, trying our hand at growing our own cress.

Woodpecker and Oak rooms

From exploring magnetism, through creating our own story books and Mothers day gifts to looking for the "hidden" eclipse and learning a little about our solar system we have covered a wealth of subjects and new ideas this month.

One activity that let our creativity come the fore was painting our own magical spring branches to display in the playroom and this led on to building and painting our own junk models.

Coming up in April

Our nursery Photographer will be here on Wednesday 29th April.

Please remember our Easter holiday period for families on Term time contracts and Education grant Funding only begins on Friday 3rd April and ends on Friday 17th April.

The summer Term begins in **Monday 20th April.**

Wishing you all a very Happy Easter
Sue and all the team.
