Summer 2025

Nursery News...

We are delighted to share the news that Amanda and her partner Rich are expecting their first baby, a little boy, in November. We can't wait to hear of baby's arrival and wish them all the best with their new chapter as parents.

Congratulation to Kayleigh J and Abi who have passed their level 3 diploma and are now both qualified Early Years Educators.

We're pleased to welcome back Chelsea from maternity leave, she will be returning to work across the nursery, based primarily between Cherry Room and preschool.

Sadly, we are saying goodbye to Ellie, who is off to university in September. She will be returning during her holidays to do some bank work for us. Good luck with your new studies, and we look forward to having you back in the holidays.

Reminders...

Please be courteous to all when accessing the car park. Please ensure you do not block others in and leave the entrance/exit clean. Please turn your car engine off when waiting, dropping off or collecting.

Please ensure your child's belongings are clearly named.

As we move into Autumn, please check your child's bag is packed with appropriate clothing, and provide suitable outerwear and footwear.

If you have any unwanted clothing bottoms (trousers, joggers, leggings, shorts, skirts etc) in sizes 2 to 5 years, that you would be happy to donate for our spares supply, we would really appreciate it. Thank you.

Please notify us by phone call or email of any absences for holiday, illness, appointments etc.

GOOD BYE and GOOD LUCK

On Saturday 16th August we held our leavers graduation party, for all our children who are off to school in September. We had a fantastic morning with Mr Merlin entertaining us, followed by a presentation of our graduation bags and a brunch banquet with our friends. We have loved seeing each child grow and develop during their time with us, and we wish them lots of luck at their new schools.

Cherry Room...

Cherry Room have been using their motor skills to explore in a variety of ways. They have:

- Using tools to pop bubble wrap and spread the paint underneath it.
- Using toy hammers to crush cleaned covered eggshells.
- Rescued toys from a sticky tape web.
- Used their hands and spoons to squeeze the juice out of fruit.

Pear Room...

Pear Room have been busy builders! They have been doing lots of construction themed activities such as:

- Building towers and knocking them down with a wrecking ball.
- Colour matching to the dumper trucks.
- Stamping with construction themed stamps.
- Hammering the bubble wrap to splatter the paint.

Pre School...

The children have been exploring fruit in a variety of ways, including:

- A watermelon themed sensory tray.
- Lemon and lime water play.
- Making their own orange juice.
- Reading 'The Very Hungry Caterpillar' and counting the fruit eaten in the book.
